NOTICE.

PUBLIC NOTICE is hereby given that the Government of His Majesty the King of Sweden and Norway purposes sending, in the summer of 1896, a balloon expedition to the North Pole for exploration in the interests of science. The balloon will convey a party of three Swedish scientists, namely, Mr. Salomon August Andree, aged 42; Dr. Nils Gustaf Ekholm, aged 48; and Mr. Nils Strinberg, aged 24. It is understood that the expedition will start from Spitzbergen in the early summer.

The Swedish and Norwegian Minister at the Court of St. James having, in the name of his Government, invoked the assistance of Her Majesty's Government with a view to making it generally known in the British possessions adjacent to the Polar Basin that the expedition in question will be attempted, and the Swedish Government being anxious also that the project

should be made known to the authorities in other parts of Canada and to the general public in the Dominion through the medium of the press. Her Majesty's Principal Secretary of State for the Colonies has requested His Excellency's Government to do all in their power to meet the wishes of the Government of His Swedish and Norwegian Majesty in this matter.

Accordingly, Her Majesty's loyal subjects throughout the Province of British Columbia are hereby notified in the premises and are requested to give the explorers, should an opportunity present itself, all the help in their power. If the balloon be seen only and no communication be had with the exploring party, it is requested that the following particulars may be noted and communicated either to a local newspaper or to this office, namely, the day and the hour in which the balloon was seen, the direction of the balloon, and the direction of the wind.

Should any accident befall the explorers and should they arrive in any locality having lost the balloon, the inhabitants are asked to give them all possible assistance.

2. There shall also be raised, levied, and collected on all wild and unimproved land in the municipality

an equal rate of two per cent. on the assessed value thereof as appears by the said Roll; and it is further provided that all improvements be exempt from taxation.

3. There shall be allowed to all persons paying their taxes on or before the 1st day of September a rebate of one-sixth of the total amount. This rebate shall not, however, apply to any money paid in commutation of statute labour and trade licences.

4. The trade licences payable in advance within the municipality shall be in accordance with the provisions of section 169, "Municipal Clauses Act, 1896."

5. The aforesaid taxes and trade licences shall be due and payable by the person or persons liable for the same to the Collector of the Municipality at his home at Aldergrove.

6. The rates and taxes on land, special or otherwise, which are unpaid on the 31st December in each year shall bear interest therefrom until paid in full at a rate of interest of six per centum per annum.

7. This by-law may be cited for all purposes as the "Matsqui Rate By-law, 1896."

Passed the Municipal Council April 25th, 1896.

In accordance with the "Assessment Act, 1888," and amending Acts, I hereby give notice that I shall offer for sale, by public auction, the lands of persons assessed by me on which taxes, together with the cost of advertising, and other expenses remaining unpaid, on the day of sale, in the District of New Westminster.

Under the statute persons liable to pay taxes imposed by the Assessment Act and amending Acts are personally liable for the amount thereof, and all lands of such persons situate within the Province are also liable therefor.

The taxes are a charge on such lands, having preference over any claim, lien, privilege or incumbrance of any party, except the Crown, and does not require registration to preserve it.

The above sale will take place on Wednesday, the 15th day of July, A.D. 1896, at the Court House, New Westminster, at 10 o'clock a.m.

E. L. KIRKLAND,
Assessor and Collector.

New Westminster, B.C., May 18th, 1896.
